#### SAFE Strategy

- Five-year highlights – our achievements
- Strategy process
- New strategy - vision and mission, goals, activities, key priorities
- Reflections
- Q&A

#### Break

#### Strategy working groups

1. Strengthening SSO's
2. Prevention (primary and secondary) and awareness raising of stroke
3. Making stroke a national/European healthcare and research priority.
4. Data and evidence needed to support stroke delivery in your country

#### Sponsor session

**Life After Stroke Session.** Invited speaker Avril Drummond, Chair of the European Life After Stroke Forum Scientific Committee.

#### Lunch

#### Networking time!

We will be splitting the meeting into five groups to discuss topics important to you. Each group will be facilitated by a SAFE board member.

What would you like to discuss? Bring your topics to the meeting.

#### Round up and close of working conference
