Please explain, in a maximum of 250 words, why you are interested in the position of Vice President of SAFE, giving brief details about your background, reasons for standing, what skills and knowledge you can bring and your suitability for this role. In doing so, please make reference to the person specification and role description.

As a board member at SAFE, as a President of a young patient stroke support organisation in Bulgaria which clearly proved its capacity and strength, and based on my background as successful business manager and a leader with a notable career, I can guarantee honest, professional, ably, clear and strong expressing the patient's voice of stroke survivors in Europe. I speak fluent English, Russian Italian languages. I am available to help the President of SAFE, by representing the organisation and the decisions taken by the board. I am very capable to analyse current situation, to feel the future vague signals, to create strong strategy, in order to achieve all aims of the organisation with success.

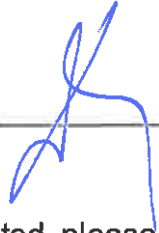

I can build and maintain fruitful connections with other organisations, by identifying and using properly quickly and successfully all opportunities of mutual benefits for all stake holders.

I would like to contribute with my work to raising the good name of SAFE, relying on the trust of each of our members.

I believe that the strength of the stroke patient organization lies in the active work with our members and in the clear, accurate and timely formulation of the patient's perspective on our reality.

I confirm that the information contained in this application is correct, and that neither me, or my organisation, have been subject to any financial/legal or other such investigations in the past 12 months.
